

To,
The Principal,

Subject: Permission to conduct Information session by Fuel NGO
Pune Students Initiative for 10th/11th / 12 Std Students of your Institute.

R/Sir,

- ❖ We wish to inform you that it has been found that many 10+2 Students who are aspirants for different careers in their life are unaware of many Competitive entrance exams, their admission procedures and minute system formalities.
- ❖ Due to lack of Information and awareness these students are facing many problems on various issues of form filling, admission forms, notifications etc.
- ❖ Realizing this problem faced, a group of Engineering students of Pune supported by their respective colleges have come together for rescue of this students in the form of FUEL
- ❖ FUEL had taken the task to conduct various seminar sessions about Entrance Exams across Maharashtra and so far have reached 50,000 students and parents.
- ❖ Their Efforts were appreciated & Honored by **Hon.Dr.A.P.J Kalam** and the Book written called as **Student's Fuel** was released by then Director of Technical Education Maharashtra .
- ❖ We request you to support these students by allowing them to conduct the Awareness session in your Institute which will definitely empower students of your Institute.The session consist of a power point presentation about various entrance exams .
- ❖ To aware students well in advance and to also utilize the students energy for fruitful purpose this period has been selected for awareness.
- ❖ **We request you to grant the necessary permission and time.
For any details Please feel free to communicate our coordinator.**

Yours Sincerely,

FUEL Team
